

College Ministry @ East Main Church

Welcome!

Dear College Student:

My name is Andy Bishop, and I'm the Young Adult Pastor at East Main. I want to welcome you to the church and thank you for attending! Our church is excited you chose us and we are glad you are here! We value the presence of college students in the life of our church. We are continuing to build our Young Adult Ministry at East Main, and I'm excited about the opportunities we have for you this year, as a result of the continued building of this new ministry!

On this paper, you'll find different ministries in which we would welcome college students to serve, information about our Adopt-a-Student ministry, discipleship opportunities, and a couple of fellowship opportunities at people's homes—just for you!

Let me also say: it would be a huge blessing to me to meet for lunch, a coke or coffee, or just getting together to meet and get to know you...so get in touch with me so I can get to know you! My email is: emyoungadults@yahoo.com and my phone number is: 724.458.8270. Hope to meet you and hope to get you plugged in!

In Christ,
Andy Bishop, Young Adult Pastor

Adopt-a-Student Ministry

One of the best ways we can welcome you into our congregation is to connect you with a family in our church...so you can get to know and build a relationship with them! This allows you to personally meet and know a family (and hopefully many more through them) that's connected at East Main!

We've asked families to commit to having you over or taking you out for dinner at least 2x's and sending you at least one care package per semester.

Likely the relationship will grow and you'll find creative ways to bless each other often!

By meeting one family, you'll likely meet other families and build more relationships with people in our congregation who can support, care for, and encourage you during your time at college!

House Parties

This is better than the typical "house party" at college...we want you to have opportunities to get off campus, eat good food, and be with people and families at East Main! At least once in the fall (October 2nd after church) and twice in the Spring (Super Bowl Sunday and Finals week), you're invited to a House Party for a time of good food and a relaxed home to just enjoy some time together with the families (maybe pets!) and other students there...no specific agenda...just some good fellowship time! It's a great way to get to know other students who are connected at East Main and even better way to get to know other families that are plugged in! We hope to see you there!

Information about specific times, locations, and transportation to and from will be in the worship folder and on the announcement screen on Sundays leading up to the events, along with information on our College & Young Adult Ministry page on the church website.

Young Adult Ministry Activities

As a college student, you are invited to anything advertised at East Main for Young Adults! We have outings, events, small groups, Sunday School, and special worship opportunities! Come and meet other YA's who are just a little older than you and GET CONNECTED!
